POLICIES & *Procedures*

START TO FINISH TIME & ROOM SETUP

We take great pride in providing a flawless and unforgettable wedding experience for all our couples. To maintain the highest level of excellence and ensure a seamless celebration, we have the following policies:

To ensure a safe and enjoyable experience for all we strictly prohibit outside alcohol and self-operated bars.

Rest assured, our dedicated team of professionals is fully qualified with Serve It Right (SIRS) training, ensuring that all your beverage needs will be expertly handled. So, leave the bartending to us and raise your glasses to a fantastic celebration ahead.

We believe that time is of the essence on your special day. To guarantee a smooth flow of events, all functions will adhere to their designated start and finish times.

We understand that every detail matters on your wedding day. Therefore, we require all setup and dismantling times to be specified at the time of booking. This ensures that our team can meticulously prepare the venue according to your unique preferences and execute a seamless transition between events.

A set up fee will be added, determined by size and setup requirements.

While we understand the desire to keep the celebration going, functions incorporating music must conclude by 2:00 AM.

DEPOSIT

A deposit of \$1,000 is required within two weeks of signing the contract. This is a non-refundable deposit and will be credited to your final bill.

PRE-PAYMENT

We require a full estimated pre-payment 72 hours prior to the wedding. An estimate will be calculated, and the difference after the wedding will be charged or credited accordingly.

GUARANTEES

We kindly request that you provide us with the guaranteed number of attendees 72 hours or 3 business days before the function's scheduled date and time. A business day is defined as Monday through Friday, with a cutoff time of 12 noon. This allows us to plan and prepare everything meticulously, ensuring a seamless event.

In the event that we do not receive the attendance guarantee as specified, we will consider either the number stated in the contract or the actual number of attendees, whichever is greater, as your guarantee. We understand that plans may evolve, and we strive to be accommodating within the specified timeframe.

After the 48-hour deadline, the guaranteed number of attendees is not subject to reduction. Any increases in attendance given after the guarantee deadline may be subject to a 20% surcharge over the selected menu price. We will do our best to accommodate additional guests, taking into account product availability and labour.

To ensure that no guest leaves unsatisfied, our Catering Team will prepare food for seated functions with an additional 5% over the guaranteed number, up to a maximum of 30 people. This thoughtful approach ensures that everyone's needs are met while minimizing waste.

Additional seating will only be arranged if needed, allowing for a spacious and comfortable environment for you and your guests.

CANCELLATIONS

To cancel a confirmed wedding booking, written notice must be received no later than 90 days prior to the wedding date. If the couple cancels within this timeframe, any monies paid may be retained by the Centre as liquidated damages. Additionally, the couple will be liable for any additional damages incurred by the Centre due to the cancellation.

If the couple provides more than 90 days' notice of cancellation, but the cancelled date was previously "challenged" by another party or fell on a Friday, Saturday, or Sunday, the same conditions apply, and the Centre may retain any monies paid as liquidated damages.

Please ensure to communicate any changes as early as possible to avoid inconveniences.
