

# Replacement Head Lighting Technician

**December 19, 2025**

Bring your passion for live performance lighting to one of Saskatchewan's premier venues. Conexus Arts Centre is seeking an experienced **Replacement Head Lighting Technician** to support our Lighting Department and step into a leadership role when required.

This position works closely with the Permanent Head Lighting Technician, assisting with operations, maintenance, and show execution. When the Permanent Head Lighting Technician is absent, the Replacement Lighting Technician assumes departmental responsibilities and is assigned appropriate assistant support, in accordance with the Collective Bargaining Agreement.

## Key Responsibilities

- Assist with the operation, setup, focusing, and maintenance of all house and production lighting systems
- Ensure client and production lighting needs are met safely and professionally
- Step in as Acting Head of Lighting during absences, coordinating crew and overseeing lighting calls
- Uphold OH&S standards and Conexus Arts Centre policies
- Work collaboratively with artists, touring productions, and internal teams

## What You Bring

- Strong working knowledge of theatrical lighting systems and terminology
- Experience in live performance environments
- Ability to lead crews, follow show direction, and communicate technical information clearly
- Physical ability to meet the demands of the role, including lifting and working at heights

## Hours & Commitment

This is a *Replacement Department Head* position under the IATSE Local 295 Collective Agreement. The role includes a guaranteed minimum of 520 hours per year, provided at least 260 hours are worked in each six-month period. The position carries first right of refusal for available lighting work for which the employee is qualified. Hours are scheduled based on event activity and departmental requirements.

## How to Apply

Both experienced candidates and those with some stage or live event experience who are motivated to learn are encouraged to apply. Conexus Arts Centre is willing to train the right candidate with foundational knowledge and a strong interest in theatrical lighting. Union membership or willingness to become a member is required.

Please send your resume to [amandap@conexusartscentre.ca](mailto:amandap@conexusartscentre.ca)

**Posting closes January 16, 2026.**
